

# PRIVACY POLICY

SUV SELECT values our customers & their privacy.

ALL personal information collected is used to ensure an efficient and successful ordering process.

SUV SELECT DOES NOT give, sell, rent or loan any personally identifiable information unless we are required by law OR you authorise us to do so.

## COLLECTION OF PERSONAL INFORMATION

OUR ONLINE BOOKING form collects customer's private information. OUR staff require this information to identify and communicate with our customers and their needs.

AT times, this information is used by our staff shall they need to make direct contact regarding any order: corrections, payment verification, and/or other related matters.

COLLECTING PERSONAL INFORMATION allows SUV SELECT to personalise your experience, improve our website, improve customer service, to process & track ALL transactions, to send periodic emails regarding special offers, newsletters, giveaways, milestones and similar news.

TO OPT OUT | UNSUBSCRIBE to any of our communication, there is a direct link to such at the bottom of each and every email.

## SECURITY

THIS website takes every precaution to protect our customers privacy.

SHALL you submit sensitive information via this website, your information is protected both online & offline.

WHEN submitted, all sensitive data, including credit card details are encrypted and protected.

SUV SELECT uses world class software. uses Secure Socket Layer (SSL) technology & an encrypted PAYMENT GATEWAY.

AFTER your purchase/s, sensitive information including credit card details, social security & financials are NOT stored on our server.

## **DISCLOSURE**

SUV SELECT DOES NOT give, sell, rent or loan any personally identifiable information unless we are required by law OR you authorise us to do so.

## **CONSENT**

BY using this website, you consent to our website's privacy policy
